### Travelling Westbound:

From the A30 take the exit signposted 'Colliford Lake'. Continue past Colliford Tavern and take the second left you come to.

### Travelling Eastbound:

On the A30, we strongly recommend that you ignore the right hand turn signposted 'Colliford Lake' which would require you to cross the westbound carriageway in front of oncoming traffic. Instead, please carry on to the next exit, signposted the 'Jamaica Inn Museum'. Follow the road around and through Bolventor village. You can then re-join the A30 heading westbound and safely turn left at the next junction, signposted 'Colliford Lake'. Continue past Colliford Tavern and take the second left you come to. This diversion will add no more than 5 minutes to your journey.

### Opening Times

The site is always open. However, ongoing construction work may sometimes affect full access.

### Admission

Entry to the labyrinth is free. Please note that parking fees may apply, in the car park managed by South West Lakes Trust – parking revenue constitutes the only income source for the upkeep and maintenance of the labyrinth.

### Accessibility

The site features gentle slopes and level paths suitable for wheelchairs and mobility scooters. Disabled parking is available near the entrance. The downloadable audio trail is suitable for sighted and for visually impaired visitors, the trail also may be displayed as text for those with hearing loss.

### Length of Visit

From the entrance to the centre the path is approximately 750m long. To walk all the way in and all the way out again is just under one mile. We suggest allowing a minimum of 30mins (or a lot longer if you wish to absorb the full meditative experience).
